

2025 IMPORTANT INFORMATION

- If you were a member of JRCA in 2024, you do **NOT** need to send me a copy of your birth certificate, because I still have it. All **new** members **MUST** send in their birth certificate. All members must send in their w-9, and membership form as well. The w9 is on the member, not the parent. Make sure the membership form is notarized. This is mandatory.
 - *Return the w9 and birth certificate (if needed) with the Membership form.*
 - *It is required to have the Membership Form, birth certificate, and w9 turned in by the entry deadline of the first rodeo you plan to enter.*

- We have gone online this year!!!! Entry and membership documents are available on the website. These forms can be filled out and submitted online. The Membership form can be filled out and then printed for the Notarization. Each form has an online payment option, however, you can still mail in checks! Just make sure to check which option you are choosing, so that I can find the appropriate payment. Entries are not official until payment is received, so if you choose to mail a check, entries will not be official until I receive that check. Deadlines still apply to date stamps on the envelope with the check in it. Some people like to pay for all their entry fees for the entire summer at the very beginning and that is fine. However, just keep in mind, that if you write ONE check for all the entry fees I will have to deposit it before the first rodeo. If you would like to turn all your entries in but write a SEPARATE check for each rodeo that is still fine too. Fill out a jot form for each entry and mail the checks with the rodeo location and date, those checks will be deposited before each individual rodeo. *This is a great way to take care of your paperwork ahead of time!*

- *We have JRCA caps available for purchase this year! The order form is on the bottom of the jacket order form and you can order all the caps for your family on one order form*

- **Please continue to make separate checks for Membership Fees, *Entry Fees, Stall & RV Reservations.** This helps me out with bookkeeping!
 - *Please write **one** check for **both** days of entry fees. If you have more than one child, write **one** check for **all** of their entry fees.*
 - Also, if you order non member jackets or any caps, please submit those checks separately*

- The Shoot-Out Rodeo will be in Childress this year. All-Around buckles will be given to a boy and girl in each age division. The buckles will be presented at the April rodeo.
- You must compete at least 5 times in the events you participate in to qualify for the finals.
- 3 & under members that participate in **ALL** rodeos will receive a buckle at the Finals.
- I encourage all new members to read the Rulebook on the Home Page of our website. *Please take note of the Hat Fines/Broken Pattern Fines section. If you receive one of these, prompt payment is required. ☺*
- *Please take note of the Order of Events, it is different this year! We will begin at 8:00 a.m. each morning.*
- *Current Coggins will be required for EACH horse you bring with you to each rodeo, including those that will not be competed on during the rodeo (ie team ropings after the rodeo). Please submit a copy for the horses that you know you will be bringing when you send in your membership forms. Then, if further into the season, you bring other horses, you only have to submit the papers for those horses. I will keep these on file for the season.*

If you have any questions, please feel free to contact me. I'm looking forward to this season!

Let's Rodeo!
